

ProQuest Hospital Collection

Now with over 5.6 million
deep-indexed records!

Users can discover previously
hard-to-find tables and images in
search results – made possible by
the ProQuest patented Illustrata
indexing system.

The ultimate full-text health resource from ProQuest

- Thousands of full-text health sciences journals
- 20,000+ full-text dissertations
- Evidence-based nursing resources from the Joanna Briggs Institute
- Cultural competency reports from CultureVision
- Nursing procedure video content
- Nursing reference ebooks
- Study Paths – recommended reading by expert nurse educators
